WORK EXPERIENCE

JAN. 2020- PRESENT

Climate Reporter | POLITICO's E&E News | Denver, Colorado

- Pitch and report 3-5 daily and enterprise pieces each week focused on finance firms' and federal regulators' efforts to address the financial threats of climate change
- Establish and maintain new climate finance beat for E&E News
- Expand coverage to western U.S. to explore how state and local officials, as well as insurance and real estate markets, are responding to mounting climate risk
- Cultivate source relationships in Congress, state and federal agencies, companies and outside groups to break news and provide in-depth, timely analysis of recent developments
- Pitch, execute reporting trips to Puerto Rico, Oregon, Colorado and more to ground federal policy and trends in local communities
- Contribute reporting and writing to newsletters, publications and podcasts both inside and outside POLITICO

FALL 2019

Digital Content Intern | National Public Radio | Washington, DC

- Pitched and reported enterprise stories for npr.org on climate change, renewable energy, business and immigration
- Adapted 1-3 assigned radio stories for npr.org weekly. Wrote web story text, produced digital builds with visuals, internal links, video
- Collaborated with producers, editors and photographers

SUMMER 2019

Dow Jones News Fellow | Energy & Environment News | Washington, DC

- Filed 48+ environment, energy stories for digital publication
- Interviewed analysts, industry leaders and congressional staff to build subject matter expertise on energy, environment issues

2018-19

Editor-In-Chief | Manitou Messenger | St. Olaf College

- Coordinated weekly production, editorial content, publication layout and 30 person newsroom for 21 issues
- Directed rebranding effort, expanded news section by 2 reporters and a full page to modernize the publication's print and digital presence and expand audience reach

JANUARY 2019

Storytelling Assistant | Kino Border Initiative | Sonora, Mexico

- Developed photo, video digital content with Final Cut Pro X
- Conducted and filmed interviews with migrants in Spanish to document testimonies for the website, social & educational efforts

SUMMER 2018

Editorial Intern | Bloomberg Government | Washington, DC

- Interviewed industry leaders, members of congress & congressional staffers for daily & enterprise coverage
- Reported and wrote 11 articles for www.bgov.com
- Pitched, designed shareable graphics on campaign finance, 2018 midterm elections using Adobe Illustrator

SPRING 2018

Production, Photography Intern | Wambra Radio | Quito, Ecuador

- Shot photo and video at protests, marches, communications workshops, panels and forums to be used for web and social media
- Translated long-form articles, documents and presentations from Spanish to English and vice versa
